## GENERAL TERMS & CONDITIONS JEC FORUM DACH 2022

### 1. ACCEPTANCE OF TERMS AND CONDITIONS OF PARTICIPATIONS

The present terms and conditions (hereinafter referred to as the "Terms and Conditions") shall apply to all those legal entities (hereinafter referred to as the "Exhibitor") who make a request for admission to have a booth and or sponsorship at JEC FORUM DACH 2022 (hereinafter referred to as the "Exhibition") organized by JEC (French SAS with a share capital of 308 000 euros whose registered office is at 251 Boulevard Pereire, 75017 Paris, and registered in the Paris trade and company register under number B410 352 611 hereinafter referred to as the "Organiser") at the exhibition centre Messe AUSBURG (hereinafter referred to as the "Venue"). The Organiser and the Exhibitor are hereinafter collectively referred to as the "Parties" and each separately as a "Party"

**1.1 Within the context of its application to participate,** the Exhibitor confirms having read through these Terms and Conditions, the General Rules and Regulations Governing Exhibitions in Germany and where available, any specific rules for the Exhibition and undertakes to accept all the clauses thereof, without reservation or restriction.

Admission to the Exhibition requires the Exhibitor's complete acceptance of these Terms and Conditions, as well as all the documents referenced herein.

The Organiser reserves the right to modify these Terms and Conditions without notice. Any changes hereto will be brought to the Exhibitors attention. Modifications resulting from changes in regulations and/or related to personal and property safety or security will have immediate effect, without the need to sign any document or supplement.

**1.2 Should it be absolutely necessary,** the Organiser reserves the right to change the dates and/or Venue, hosting the Exhibition. In the event of modification of the dates and/or the venue hosting the Exhibition, determined by the Organiser, or of any change to these Terms and Conditions without notice which do not have immediate effect as set out in the above 1.1 section, the Exhibitor will be notified of that change. Unless the Exhibitor cancels its application to participate by means of registered post with acknowledgment of receipt, sent to the Organiser within fifteen (15) days (date of reception by the Organiser) of the said notification, the Exhibitor will be considered as having accepted the new dates and/or the venue hosting the Exhibition, or the amended version of the Terms and Conditions. In case of cancellation by the Exhibitor, resulting from the refusal of:

- (i) new dates
- (ii) and/or new venue
- (iii) a change in these general Terms and Conditions for Exhibitors' participation at the Exhibition.

The provisions of section 1.4 regarding Partial Refund for Exhibitors refusing the transfer of payment to the next edition of the Exhibition will apply subject to prior deduction of all Exhibition expenses borne by the Organiser.

The Exhibitor undertakes to accept, to respect and enforce all the instructions set out in the Exhibitor's section of the Exhibition website, the Exhibitor's Technical Guide provided about the details of the Exhibitor's participation in the Exhibition. The signatory (Exhibitor) of the exhibit space rental contract is liable to the Organiser for all consequences arising out of noncompliance with the instructions and regulations.

The Terms and Conditions of the Exhibition and specifically

the opening and closing dates and hours, duration, venue, and participation fees, are set by the Organiser and are subject to change at the Organiser's initiative without giving rise to any payment claims. Extra costs incurred to the exhibitors, generated by a change in the opening and closing dates or hours, duration, venue, or participation fees, will be at the Exhibitors' own expense. Exhibitors shall not exercise any remedy for these expenses towards the organiser.

### 1.3 Decision-making power in the event of a threat to public safety

The Organiser has the right to determine whether the Exhibition should be interrupted momentarily, definitely, or the venue evacuated in the event of a threat to public safety and the Exhibitor undertakes not to make any complaint or claims for damages.

### 1.4 Cancellation of the Exhibition in the event of force majeure

The Organiser may cancel the Exhibition in case of a force majeure event as recognized by French law. The Organiser reserves the right to cancel location requests that are in progress at any time by sending written notification to Exhibitors, who may not claim for damages.

Parties agree that Force majeure events include as well:

- Events that render the Venue's operation impossible, regardless of the cause, and listed non exhaustively below:
- strikes
- Fire, explosion, flood, violent storm, lightning damage, snowstorm,
- any legislative, administrative decision to close or requisition the Venue, or forbidding gatherings, exhibitions, conferences and more generally events
- any event making it impossible for the Organiser to perform the Exhibition, even if the event was predictable upon Exhibitor's registration
- All external events, triggering a natural disaster decree from the French Government. IN case of force majeure, the Organiser is entitled to reschedule the Exhibition in accordance to section 1.2 within the same calendar year or the immediate next calendar year, subject to the Venue availability.

In case of the cancellation of the Exhibition because of a force majeure event, consequences will be dealt with as follows:

Payments processed by Exhibitors upon cancellation date will be kept by the Organiser, upon completion of the process described further.

The Organiser will propose to the Exhibitor to transfer all payments received from the Exhibitor, to the immediate next edition of the Exhibition, provided that the Exhibitor agrees to maintain the exact same order passed to the Organizer for the next Edition of the Exhibition.

Shall the Exhibitor refuse the transfer of payments to the next edition, the Exhibitor will be refunded of its payments within 90 days as of cancellation date.

### 1.5 Cancellation or postponement of the Exhibition if not enough Exhibitors are confirmed.

The Organiser may cancel or postpone the Exhibition if it considers that too few Exhibitors which have executed an Exhibition registration contract with the Organiser ("Direct Exhibitors") have registered and/or are confirmed after a postponement.

Cancellation of the Exhibition shall be realised in accordance with the provisions of section 1.4. regarding Payment transfer to the next edition of the Exhibition or refunds to Exhibitors that will refuse the transfer of payment to the next Edition of the Exhibition.

In case of postponement of the Exhibition, the provisions of section 1.2 shall apply.

Until the day on which (i) registrations close, (ii) and/or cancellation of the Exhibition is announced, (iii) and/or postponement of the Exhibition is announced, the Exhibitor shall bear all the risks that may arise if the Exhibition does not take place. In particular the Exhibitor will have sole responsibility for the costs that it thought that it had to incur in anticipation of its taking part in the Exhibition.

### 2.1 Application

Applications to participate to the Exhibition must be addressed to the Organiser using the valid documents provided by the Organiser, including booth surface and booth-related services requested by the Exhibitor, together with a down payment of 50% of the total amount of the price of booth surface and services requested.

### 2.2 Examination

**2.3 Notification:** The Organiser will notify the Exhibitor of its decision (approval or rejection of the application) by electronic mail. In case of refusal, the Organiser will notify the applicant or his/her company of the decision and reimburse any down payment made. Acceptance is made known by official notification from the Organiser and/or by the remittance of an invoice or a venue map specifying the booth's location and surface area.

**2.4 In the case of the Organiser's approval** of the application to participate to the Exhibition, the Organiser and the Exhibitor will be definitely committed one to the other by means of a contract whose contents comprise the Exhibitor's application as approved by the Organiser, these Terms and Conditions and the other documents referenced in section 1 above. ## GENERAL TERMS & CONDITIONS JEC FORUM DACH 2022

### 2.5 Reasons for the decision to accept an application

The Organiser is not required to explain its decisions on applications. The allocation resulting from registration is personal and cannot be transferred. Acceptance does not imply any entitlement for a future Exhibition and shall not confer upon the Exhibitor any booking rights or priorities.

**2.6 Notification by the Exhibitor** of new information that would justify the reconsideration of its application

The Exhibitor must inform the Organiser of any information or event that occurs or comes to light after its application has been made, that would justify the reconsideration of its application.

**2.7 Cancellation by the Organiser** of its decision to accept an application when it was accepted on the basis of erroneous or inaccurate information or information that has become inaccurate: The Organiser reserves the right to request, at any time, additional information relating to the foregoing and, if appropriate, to reconsider an admission decision that was made on the basis of erroneous or inaccurate information or information that has become inaccurate. Any down payment made will then remain the property of the Organiser, which also reserves the right to seek payment of the price of the service in full.

### 3. WITHDRAWAL AND PENALTIES

Signing the Exhibitor's contract constitutes a firm commitment from the Exhibitor. If the Exhibitor wishes to withdraw, he must notify the Organiser by registered letter with acknowledgement of receipt. Following cancellation compensation fees will apply:

- If the withdrawal occurs before July 15, 2022 6pm Paris Time the cancellation compensation fees will be 50% of the total amount to be paid to the Organiser.

- If the withdrawal occurs between July 15, 2022 after 6pm Paris Time and September 6, 2022 6pm Paris Time (date of reception by the Organiser), the cancellation compensation fees will be 70% of the total amount to be paid to the Organiser.

- If the withdrawal occurs after September 6, 2022 6pm Paris Time, the cancellation fees will be 100% of the total amount to be paid to the Organiser. This is equally applicable if the Exhibitor has not taken possession of his space the evening before the opening of the trade fair.

Any subsequent decrease in surface area or order will be considered as a cancellation for the subtracted surface area and subject to the cancellation compensation fees and its planning provided before. If there is any change of order after the contract is concluded that results in a loss of income for the Organiser, the Exhibitor will be obliged to pay the initial amount of the order.

### 4. PAYMENT TERMS

**4.1 Down Payment:** A down payment of 50% of the total amount of the price of booth surface and services requested must be paid by the Exhibitor to the Organiser when applying to participate, as stated in section 2.1 above. The corresponding down payment invoice will be sent once the contract is received by the Organiser, fully completed and signed. Once the down payment is made and received by the Organiser, the Organiser will confirm the booth location and booth surface according to the section 5 below.

### 4.2 Full participation invoice

Once the booth location and surface are confirmed by both parties, according to the section 5 below, the full participation amount of the price of booth surface and services purchased by the Exhibitor to take part in the Exhibition shall become due to the Organiser. The Organiser will send the full participation invoice accordingly.

### 4.3 Balance payment

The balance on the participation fee invoice that is sent to the Exhibitor before the Exhibition is due no later than - October 4, 2021 -, without discount for prepayment or cash payment. If the full payment has not been received by October 4th, 2022, the Exhibitor will not be able to get access to the Venue and to use the onsite logistics and operations services.

### 4.4 Late registration

If the Exhibitor registers later than October 4th, the fees must be paid in full along with the signed contract, and the Exhibitor will receive a full payment invoice

### 4.5 Late payment

Any amounts that remain outstanding after the invoice payment date, will result in the automatic application of late payment charges (penalty of € 40.00 and legal monthly rate of interest: 1.5%). These will begin to accrue as soon as the Exhibitor has been officially notified. This fixed fee does not preclude any other fees incurred by the Organiser in recovering unpaid invoices. If the full payment has not been received by October 4th, 2021, the Exhibitor will not be able to get access to the Venue and to use the onsite logistics and operations services.

**4.6 Parties agree to exclude** the terms of article 1223 of French civil code.

### 5. ALLOCATION OF BOOTHS

**5.1 The Organiser alone** can determine the general arrangement of the Exhibition and the arrangement of the booths at the Venue.

The Organiser will create an Exhibition floorplan and is free to manage the allocation of booth space as applications are received, and as and when admission is granted, taking Exhibitor requirements and the nature of the exhibited products into consideration to the extent that it is possible.

**5.2 The Organiser** will do his best to consider the wishes expressed by the Exhibitors in their application request and the nature of products or services to be exhibited. So as to be able to do this and taking into account the inherent constraints imposed in the placement of Exhibitors.

**5.3. Any complaints made** by an Exhibitor about the allocation of booth areas should be addressed in writing to the Organiser within seven (7) days of receiving the features (a venue map specifying the booth's location and surface area allocated) of the Exhibitor's location. Any such complaints must be supported by documentation that clearly sets out the serious nature of, and/or the reasons for, the complaint. The fact that an Exhibitor has participated in previous Exhibitions in no way constitutes a right to a specific location for that Exhibitor.

The Organiser will make all due efforts to satisfy justifiable requests for change in location.

**5.4 If the Exhibitor has not contacted the Organiser within seven (7) days of sending the features** (a venue map specifying the booth's location and surface area allocated) of the Exhibitor's location, the Exhibitor shall be deemed to have accepted the booth allocated to it. Under no circumstances shall the Organiser be held liable for any consequences arising from the location of a booth allocated to an Exhibitor.

### 5.5 Non-occupation of the allocated booth

If an Exhibitor, for any reason whatsoever, has not occupied its allocated booth on the Exhibition opening day, the Exhibitor shall be deemed as defaulting.
